

Help transform lives in Swindon today Become a Governor for New College

Ofsted says we are a "Good college with Outstanding features" – we believe that one of these is the quality of our Governance.

We are looking for people who can combine senior management or director experience, and an entrepreneurial streak, with a passion for the benefits of learning and education. In our 25th anniversary year, we're embarking on an ambitious plan to further extend our campus and provide new courses and services. You would be joining us at an exciting point in our development.

Working with us as a Governor is a proven positive step for long-term career development and immediately adds a new dimension to your CV. Most of all, your role can influence positive changes to the lives of a large number of people.
