

Child Care, Learning & Development

What is an Apprenticeship?

An Apprenticeship is a mix of real work and learning. Apprentices earn a wage and gain experience whilst working towards a number of qualifications. An Apprenticeship follows a Level 2 programme and can lead onto an Advanced Apprenticeship which is a Level 3 programme.

Overview

The Children's Care, Learning and Development Sector is for people who work with children aged from 0 to 16 years (and their families) in settings or services whose main purpose is children's care, learning and development (e.g. Nursery).

Since the introduction of the National Childcare Strategy in 1997, the sector has increased massively. It has been estimated that in the UK the children's day care nurseries market was worth £2.7 billion in 2003. The children's nurseries market has grown rapidly in the last 10 years, and is now more than seven times the size it was at the end of the 1980s.

Increasing demand from working mothers as well as government investment has led to a boost of provision of early years care, education and play work settings.

You can expect to earn £9,000 as a starting salary rising to £12,000 once qualified.

Example Job Roles as an Apprentice

- Nursery Assistant
- Play Group Assistant
- Nursery Nurse
- Playgroup Leader
- Child Minder

Apprenticeship Framework

There are a number of elements to each Apprenticeship and this is called the framework. Each Apprenticeship framework has three main strands:

- Competence based element
- Technical element
- Skills element

The three strands are sometimes accompanied by additional qualifications to give the most relevant skills and knowledge required for the job, these are broken down as follows:

Competence Element

Apprenticeship - NVQ Level 2 in Children's Care, Learning and Development

Advanced - NVQ at Level 3 in Children's Care, Learning and Development

Technical Element

Apprenticeship - Certificate in Children's Care, Learning and Development Level 2

Advanced - Certificate in Children's Care, Learning and Development Level 3

Skills Element

Apprenticeship - Key or Functional Skills in Communication Level 1 + Application of Number Level 1

Advanced - Key or Functional Skills in Communication Level 2 + Application of Number Level 2

Other Additional Study

Paediatric/Child Care First Aid qualifications

Employment Rights and Responsibilities Induction Workbook
