# ACHIEVE MORE AT NEW COLLEGE SWINDON

There's so much more you can achieve by studying at New College Swindon.

Our courses for adults are designed to help you develop your career or retrain for something completely new. We understand the importance of getting the basics right so if you need to sharpen your English and Maths to take that step forward – then we have programmes designed to help you achieve success.

## CHOOSE THE COURSE FOR YOU

### Get the Basics Right

Find your level and join our friendly welcoming classes to build your knowledge and confidence in **English and Maths**. If English is not your first language then you can improve your listening, speaking, reading and writing on an **ESOL course** leading to more opportunities.

### Boost your Career

Develop your skills, knowledge and techniques or **retrain for a new career**. Courses include everything from digital skills to underpin your knowledge, to training in new careers such as health and social care or hair and beauty. Get to university with an Access course or take your career further with a university-level qualification.

### Focus on your Wellbeing

Get in the flow and develop your creativity, learn to dance, or learn a new language at New College Swindon. **Meet new people and enjoy developing your technique and expertise** while maintaining your mental and physical health.

## PAYING FOR YOUR COURSE

Many courses are discounted or free and we also offer a number of bursaries and instalment plans to help with the cost of your course.

Look out for courses marked with  as they may be discounted or free if you meet the criteria.

### First Level 2 or 3

If you are 19–23 and studying for your first full Level 2 or 3 qualification, then your course is free.

### Unemployed/Benefits or Low Wage

If you are claiming eligible benefits or earning less than £18,525 then some of our qualification courses are free.

### Advanced Learner Loans

If you are studying for an Access course or other eligible Level 3 course, then you can use an Advanced Learner Loan to pay for the fees. Courses marked with  may be eligible for the Advanced Learner Loan.

### Student Loans

For Level 4–6 courses you can cover the cost of fees through Student Finance England.

### Bursaries

The College offers a number of bursaries to help with the costs of paying for courses and attending your course. See the website for more information.

Subject to terms and conditions.
